

Entrepreneurship in the Community

Creating community milestones through cooperative economics

BriefCase Radio Workshop & The Entrepreneurial Development & Assistance Center (EDAC) at MORGAN STATE UNIVERSITY

- Highlight entrepreneurs and their community on the radio (monthly – 12 to 18 minutes)
- Help to facilitate workshops around starting a business

Entrepreneurs on Main Street

- Help identify entrepreneurs working in the community
- Mentor youth interested in entrepreneurship
- Help conduct workshops around entrepreneurship

Community Organizations

(Community associations, schools, Parent Teacher's Associations)

- Help spread the word about entrepreneurship workshops
- Support entrepreneurs supporting the community
- Identify young individuals interested in entrepreneurship
- Identify others interested in entrepreneurship

Public Library

- Resource center for starting a business
- Host workshops on starting a business at the branch level

Outcomes:

Youth Development * Economic Opportunities for Community Residents * Resource Center for Business Clinics * Community Growth
